FALL 2007 NEWSLETTER

*“For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms.” Ephesians 6:12 (NIV)*

Dear Friends,

In the hustle and bustle of life, it is so easy to get down or let things that others do or say to us bother us and get us all flustered. In my busy life I find so many times a customer or co-worker will say or do something that gets me upset, or an order will not go right, and I find myself getting all worked up and upset. It is then that I hear the voice of God speaking to me and reminding me about the verse above. If the enemy can use someone or something to get me all flustered and upset, he knows I can't be effective in my witness for God.

Just today I was driving back to Elk City after finishing my route of customers and I found myself thinking of all the things I needed to get done for the upcoming events, for work, and for the ministry and wondering how I was gonna get it all done and still have time to sleep. God quietly reminded me that if HE was in control, and I allowed HIM to work HIS plan out, it would all work out a million times better than any plans I could make. I had to repent and ask His forgiveness and once again surrendered it all to Him.

If you find yourself too busy, upset, worried, or just plain tired and worn out, look around and see if you're doing things your way, or Gods? Our problems and struggles are not with the things or the people, they are with the enemy, and he is defeated! When Jesus said “It is finished.” It was and is finished and we have the victory, we are victors, we are God's kids, we are over comers, and the only way we can be defeated, is to let the devil defeat us! So, the next time your having problems with a person or situation, look beyond the problem and take authority over the problem causer in the name of Jesus.

Since my last newsletter I have announced several North Texas High School

Rodeos in Saginaw, TX, announced the ANHA Barrels and Poles Shoot-Out, and been working full time as well as planning the upcoming Bull Riding and Bull Fighting School with Mike Lee and Frank Newsom and putting the Thanksgiving Bull Blast 2007 together. I have enclosed a flyer about the Bull Riding and the school and if you know of any potential students for the school please tell them about it. At the Bull Ride we will be passing out Bibles and Elsie Frost will speak during the intermission, so if you live in the area I hope you will come.

### Prayer Request and Praise Reports

Praise God I now have a 2004 Ford Explorer with 69000 miles on it. I don't have room here to tell the whole story, but it is a miracle that I got it, and I know that God will work it out so it is paid off in HIS time.

Please keep the school and Bull Riding in your prayers. I believe that many will come to see the Bull Riding and to meet Mike and Frank, and leave having met Jesus and changed for eternity. So please keep me, Mike Lee, Frank Newsom, Clyde and Elsie Frost and the whole staff in your prayers.

There are over 300 teens each weekend that participate in the North Texas High School Rodeo Association, and no one is doing ministry there at this time. Please pray that God will send the right man or women there.

My job continues to go well and sales continue to grow. That is a miracle in itself because I don't know a lot about the gas and oil industry and have to rely on God a lot as I go around to the various customers. Please pray for more opportunities to share God with those I come in contact with, and for His continued favor on myself and Chris Carter who is the Elk City Store manager and also one of my best friends.

We are both striving to make the Elk City store a Kingdom business.

Thanks for your prayers and support and don't ever hesitate to contact me if I can be of service to you in any way. Remember God loves you, cares about every detail of your life and wants to have a close and personal relationship with you.

God bless,
