Howdy Friends,

Welcome to Spring. It is my favorite season of the year, seeing the flowers blooming, the trees leafing out, and of course the celebration of the death, burial and Resurrection of Jesus.

The past several months has been busy for me, with work, announcing rodeos, and preparing for the upcoming "Lane Frost Memorial Christian Bull Riding and Bull Fighting School." I am still working for Industrial Specialties as a Customer Service Representative, and drive somewhere around a 1000 miles a week servicing the customers assigned to me. I have announced several Pro Youth Rodeos and North Texas High School Rodeos, and also announced the Denton County Youth Fair Rode. I have also acquired a traveling partner, Grace, a Blue Heeler and Australian Shepherd mix puppy. Since getting Grace, I decided to move out of the apartment I was living in, and am now renting a house with a yard so she has a place to play and run. So, please send any correspondence to the Post Office Box listed above. You can see a picture of Grace when she was 4 months old with me on the front page of my website.

As you can see I do have several open weekends this summer for announcing or ministry, so feel free to tell your local rodeo or church about me.

Prayer Requests

The upcoming Bull Riding and Bull Fighting School. That God will be in control, that He will send us cowboys to become mentors to the students, that He will give Mike and myself the right words to say and things to do, and for safety for all the students and staff both during the school and as they travel to and from the school.

Dan and Melanie Haby of Cowboy Way Church in Alvarado, TX lost the tent that the church was meeting in and all the stuff inside it in a storm on April 9th.

God has really been dealing with me lately on improving the discipleship of the students at the schools we put on, and on getting out and doing more ministry with youth, High School and College age rodeo participants. To improve the discipleship I am seeking mentors that will call the students several times a month, instituting a twice a month conference call that the students can call in to, and working with Forever Cowboys to get more Bible Studies and devotionals out to the former students.

I am not sure yet, how to get out and do more ministry with teens. God has given me a gift for communicating with teens and presenting Him to them in such a way that they understand that He is a Father that loves them and that He desires a relationship with them, and cares about every aspect of their lives. So, I ask you to please pray for me in this that God would provide me the wisdom and guidance to know exactly what to do and how to do it. If any of you have suggestions or feel God lays something on your heart for me, don't hesitate to let me know.

Let me close with this, if God did not want to be a Father to us, Jesus would not have told us to call God Father. Also if you study the "model prayer" in Matthew and Luke, you will see that the Kingdom of God is not some far out in the future, pie in the sky kingdom, but a kingdom that we are a part of and that it is to begin right here, and right now in OUR lives and in the lives of ALL Christians. So, anything in your life, that is not gonna be in Heaven, does not belong in your life right now! You're a child of **THE KING** and have many awesome free gifts given to you by God through the Blood of Jesus, that are your RIGHTS and PRIVILEGES to claim as an HEIR to the KING! For more on "The Promises of God" there is a list of them on my website under the heading "Promises of God" that you can read or print off.

If there is anything I can do for you, any prayer requests you may have, or if you just want to talk, feel free to contact me either by phone or e-mail. I pray that God will richly bless you and pour HIS favor and blessing out on all of you.

God bless,
